

## COVID 19 Safe Driving Lesson Guide

DO YOUR DUTY  
IF YOU FEEL UNWELL

STAY. HOME.

If you or any of your household have **ANY** symptoms, please contact me as soon as possible to cancel your lesson! There will be no cancellation fee for COVID related cancellations.

Before leaving the house, please wash your hands thoroughly for a minimum of 20 seconds using soap and warm water.

Please don't enter the car until your instructor is ready for you as all touch points must be disinfected before you can get in.

**Use  
hand  
sanitiser**

Your instructor will greet you and provide you with hand sanitiser or you can use your own.

If you have to swap seats during the lesson, the controls will be wiped down again and sanitiser re-applied.

Face coverings will be the choice of the pupil. If you choose to wear one, then your instructor will also.

Please provide your own if you can but if you don't have one, there will be a supply in the car for your use.

During lessons it may be required to take breaks for a few moments by getting out of the car for some fresh air and to remove masks, if worn. This is also an opportunity to discuss your progress and way forward in the lesson to reach your learning goals. Obviously, weather permitting!

### We're all one big team

Should anyone in your driving network or members of your household become unwell with COVID symptoms (including your instructor) then please note that all lessons will be suspended for a period of 2 weeks to protect us all!

Hopefully this will not happen but your cooperation at this time is greatly appreciated to keep everyone safe.

None of us know how long this will last and the impact on driver training but safety is always our number one concern, above all else!

For some, wearing a mask may be an everyday thing, for others it may be a new experience.

If you have any concerns or questions at any time before or during your lesson then please don't hesitate to ask.

We're in this together!
